4000 Series

Housing, Valve, Does NOT Include Parts, Items 26 thru 29

A/R— As required (see chart page 4).

N/R— Not required (motors with shuttle valve).

Viton® is a registered trade name of Dupont Corporation.

*—See chart on opposite page.

**—Original (-004) cap screw (12 point drive) replacement will be with this external 6 point (E10) drive cap screw.

***—Viton seal part numbers differ from part numbers shown above. Note: Back-up Ring Item 5 is not used with Viton shaft seal item 21.

How to Order Replacement Parts

Each Order Must Include the Following:

- | | |
|-------------------|----------------------|
| 1. Product Number | 4. Part Number |
| 2. Date Code | 5. Quantity of Parts |
| 3. Part Name | |

For more detailed information, contact your Danfoss representative.

Label identification:

Label information:

- Country of origin
- Brand name
- Product number
- Serial number
- Date code

Product Numbers—4000 Series Motors

Use digit prefix —**109**-, **110**-, or **111**- plus four digit number from charts for complete product number—Example **111**-1057.
Orders will not be accepted without three digit prefix.

Products we offer:

- Cartridge valves
- DCV directional control valves
- Electric converters
- Electric machines
- Electric motors
- Gear motors
- Gear pumps
- Hydraulic integrated circuits (HICs)
- Hydrostatic motors
- Hydrostatic pumps
- Orbital motors
- PLUS+1® controllers
- PLUS+1® displays
- PLUS+1® joysticks and pedals
- PLUS+1® operator interfaces
- PLUS+1® sensors
- PLUS+1® software
- PLUS+1® software services, support and training
- Position controls and sensors
- PVG proportional valves
- Steering components and systems
- Telematics

Danfoss Power Solutions is a global manufacturer and supplier of high-quality hydraulic and electric components. We specialize in providing state-of-the-art technology and solutions that excel in the harsh operating conditions of the mobile off-highway market as well as the marine sector. Building on our extensive applications expertise, we work closely with you to ensure exceptional performance for a broad range of applications. We help you and other customers around the world speed up system development, reduce costs and bring vehicles and vessels to market faster.

Danfoss Power Solutions – your strongest partner in mobile hydraulics and mobile electrification.

Go to www.danfoss.com for further product information.

We offer you expert worldwide support for ensuring the best possible solutions for outstanding performance. And with an extensive network of Global Service Partners, we also provide you with comprehensive global service for all of our components.
