

Synflex

4225-43503

Hose - Hose, thermo SYNFLEX NYLON TUBING 750 FT PKG

Product Specifications

Available Length (ft)	750
Burst Pressure (bar)	69
Burst Pressure (psi)	1000
Color	natural
Description	Nylon tubing
Family	Tubing
Feature	1) Premium quality flexible tubing 2) High dimensional stability 3) Low moisture absorption 4) Chemicals resistant 5) UV, ozone resistant 6) Lightweight
General Application	Low-pressure hydraulic Chemical transfer service, Pneumatic systems
Hose Base Number	4225
Inside Diameter (in)	0.18
Inside Diameter (mm)	4.6
Min Bend Radius (in)	0.88
Min Bend Radius (mm)	22
Outside Diameter (in)	0.25
Outside Diameter (mm)	6.4
Packaging	Available lengths consist of 250' continuous reels (example: 4212-21603 consists of four 250' reels which equates to 1000'.
Wall Thickness (in)	0.04
Wall Thickness (mm)	0.9
Weight (kg/m)	0.016
Weight (lb/ft)	0.0106
